

# ***Keynote speech***

**Dr Francis Paonessa,  
Managing Director, Infrastructure Projects**

# What we do...

*£50bn of enhancements and renewals creating:*

*170,000 additional seats*

*30% increase in capacity into London and major Northern cities by 2019*

*£130m a week spend*

*15,000 live projects*

# As well as....

*In the last year we have delivered over £6bn in new infrastructure which is the same as delivering:*

**13 Olympic stadiums**

**representing:**

**22% of UK infrastructure**

*We have replaced 409KM of Track which is the same distance between London to Blackpool*

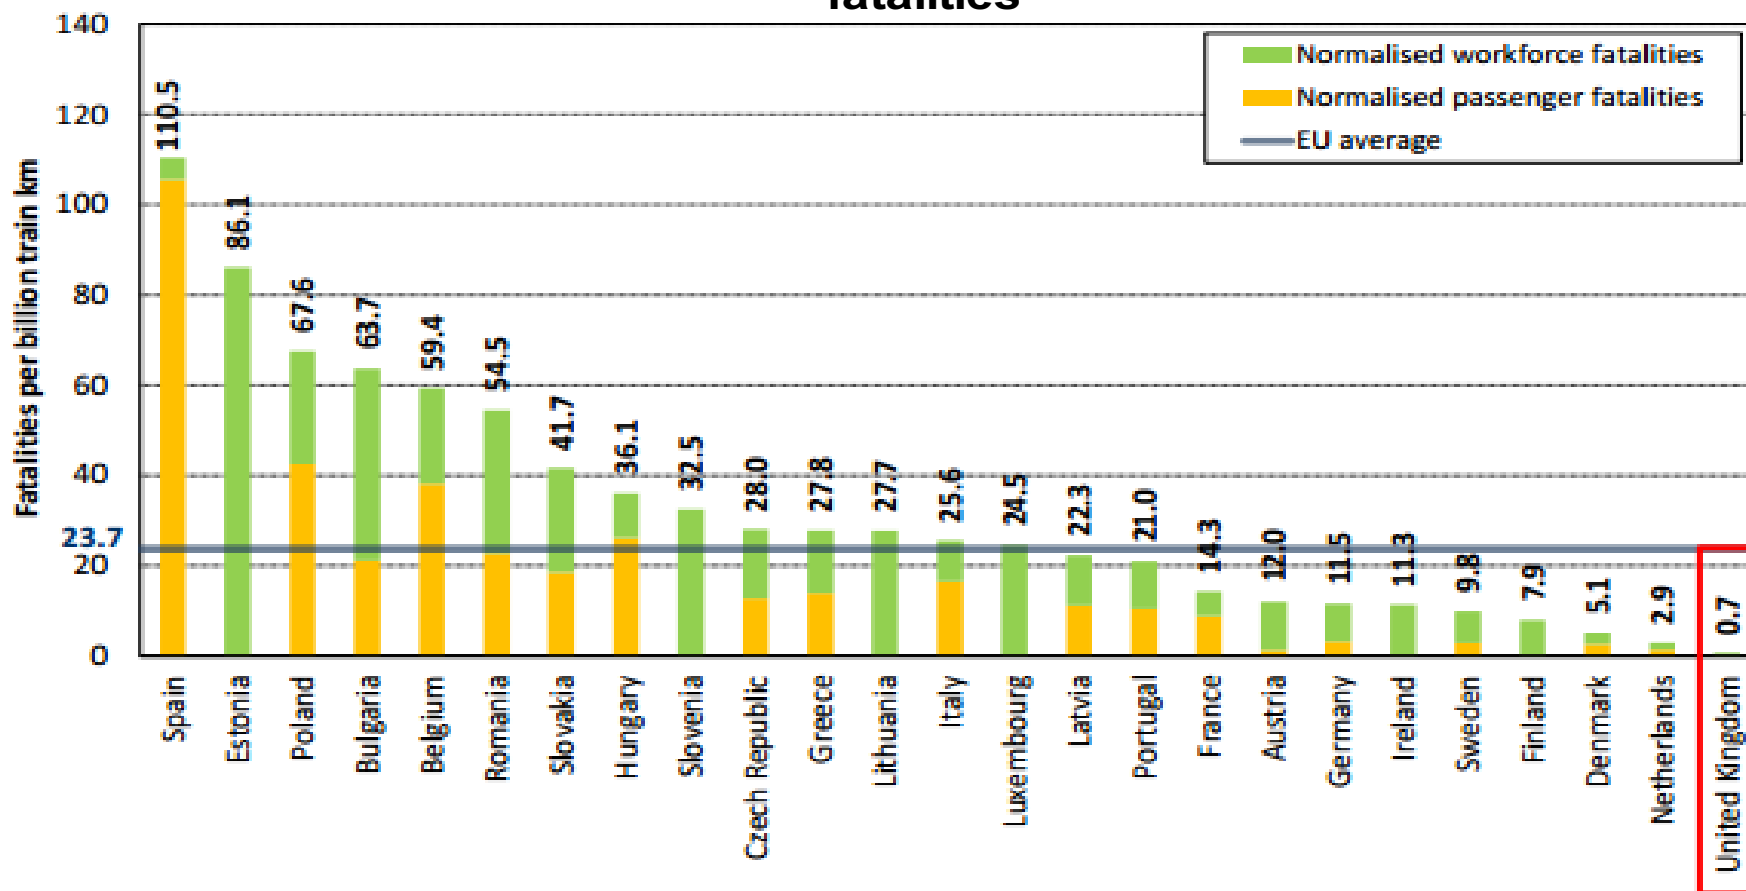

*We have maintained 36,822 sq metres of underbridges which is the same as 5 football pitches*

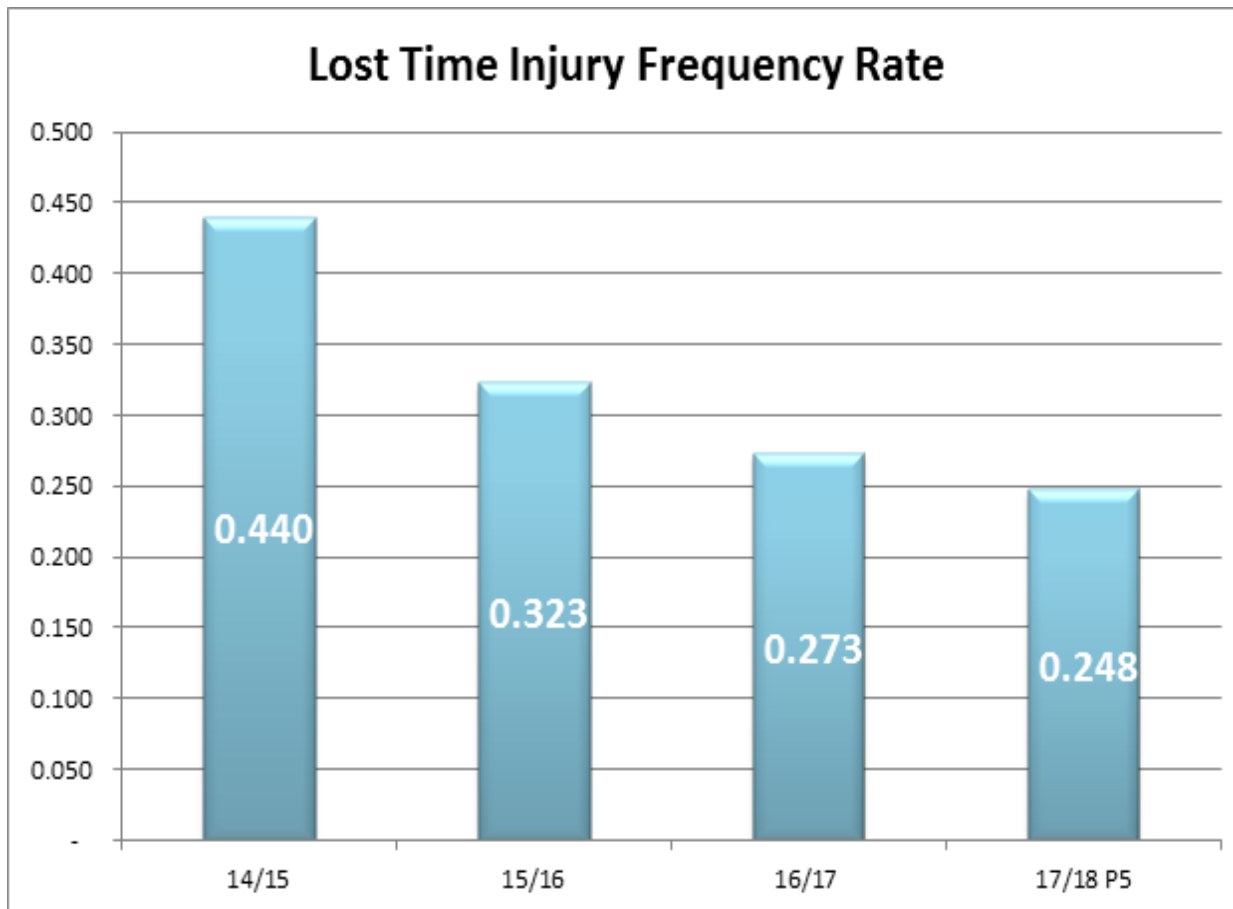

# Safest railway in Europe

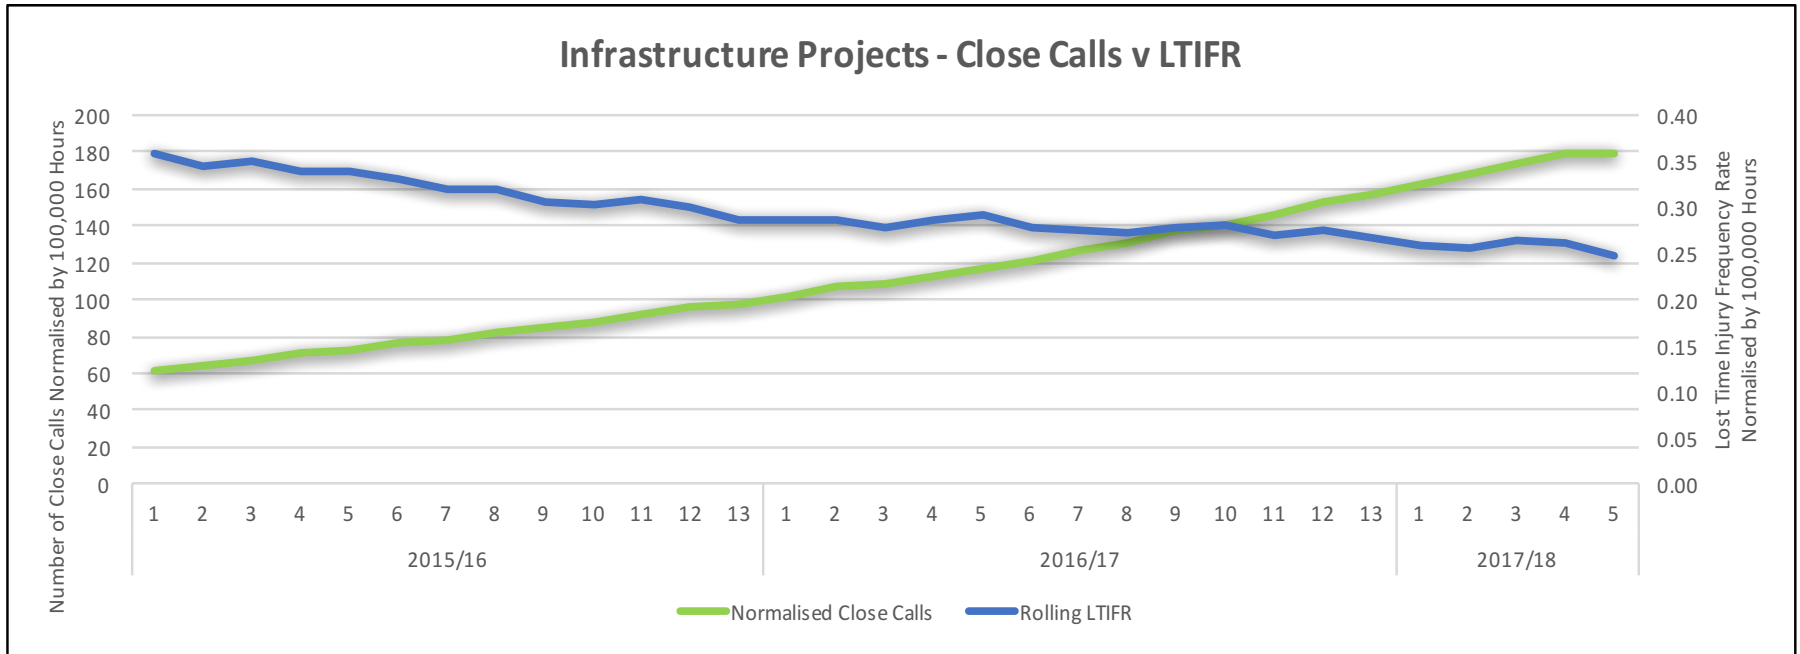

## European comparison - workforce and passenger fatalities

# Driving improvement in employee safety

# Safety and Performance go hand in hand - IP

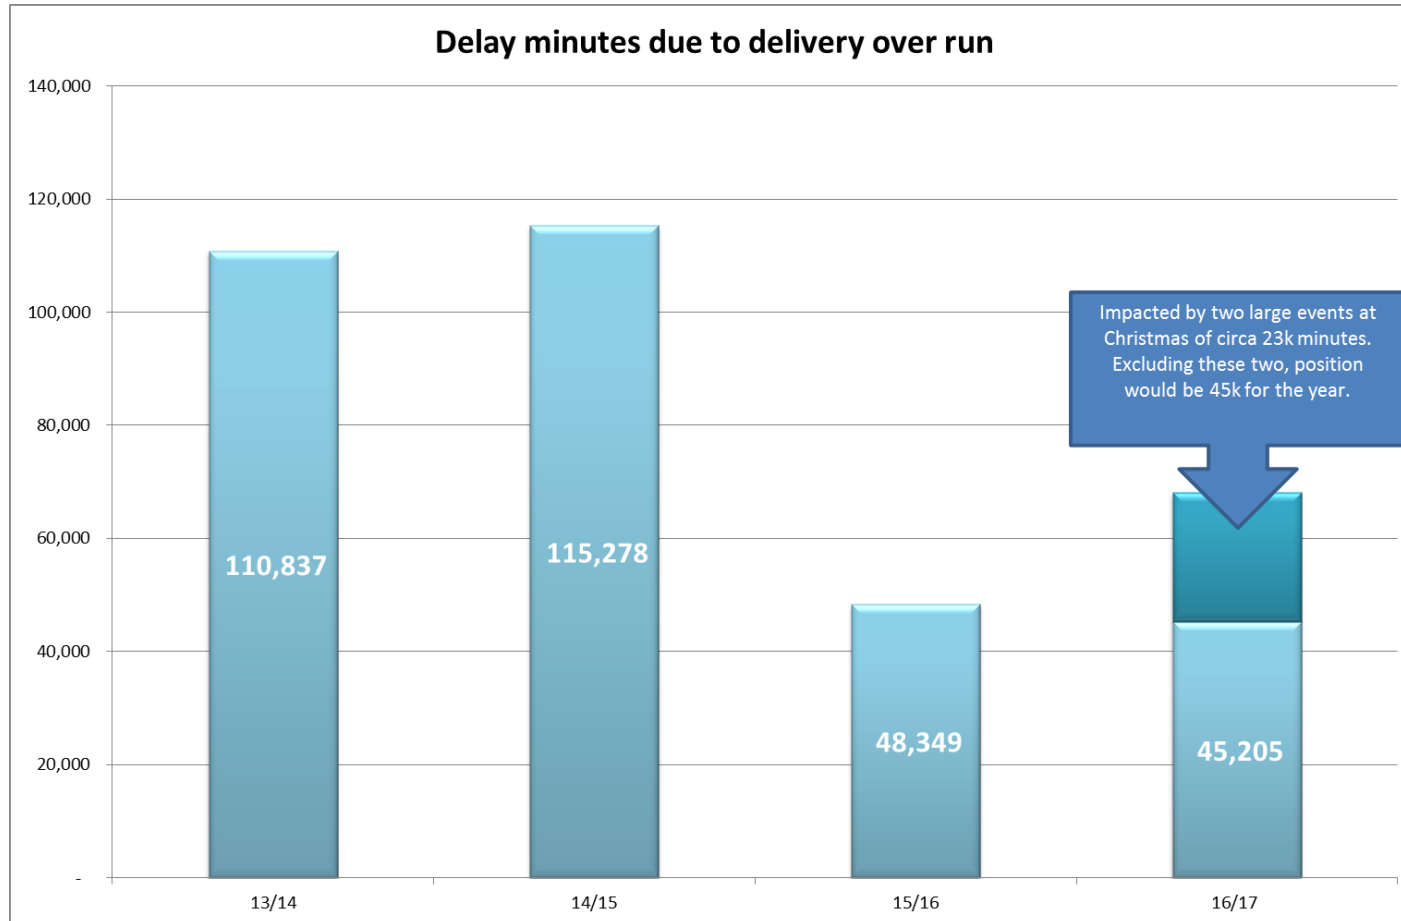

**15,000 live projects**

**92% delivered on time and schedule in 2016/17**

# Safety and Performance go hand in hand

## Reducing possession overruns

**everyone  
home safe  
every day**

# *Digital Railway*

# August Bank Holiday 2017 – IP's biggest ever

*Alongside our route and supply chain colleagues we've collectively delivered:*

**290 Projects**

**1,000 Worksites**

**370 Possessions**

**16 RED Sites handed back on time**
