

Rail Sustainability Summit

Sarah Borien
Network Rail

Sustainability at Network Rail

What is social performance at Network Rail?

Caring for communities

Being a caring neighbour

Keeping communities safe

Creating positive industry partnerships

Connecting communities with the environment

Inspiring tomorrow's workforce

Improving the passenger experience

Making rail a great experience

Making travel accessible

Respecting cultural history and rail heritage

Creating engaged employees

Supporting Britain's economic development

What is social value?

The social and economic benefits created during and as a result of a project or programme.

What are other industries doing? Housing Associations' Charitable Trust (HACT) launched their framework with a focus on measuring and evaluating impact.

THE FRAMEWORK:

1

YOUR
STRATEGIC
VISION

2

UNDERSTANDING
EXTERNAL
CONTEXT

3

FACILITATING
INTERNAL
CHANGE

4

YOUR IMPACT
WITHIN
COMMUNITIES

5

YOUR
EVIDENCE
BASE

6

RESOURCES

7

WORKING WITH
ALL PARTNERS

8

WORKING WITH
TENANTS AND
COMMUNITIES

9

ASSESSING
RISKS

10

MEASURING AND
EVALUATING
IMPACTS

11

SHARING
KNOWLEDGE

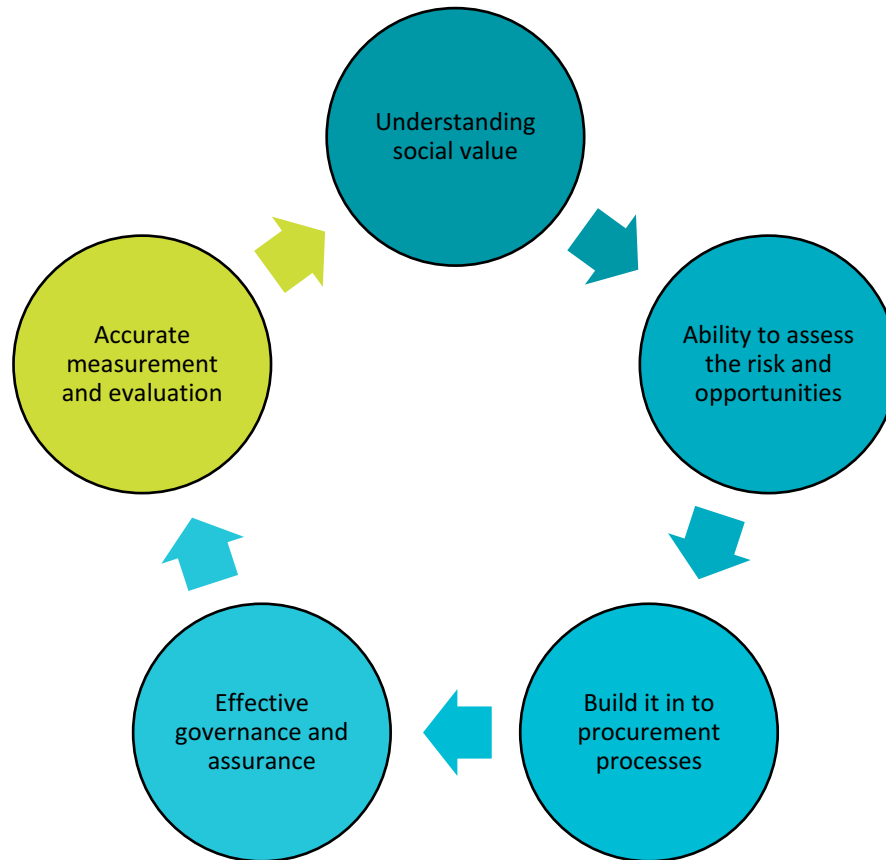

12

ACTION
PLANNING

Rail's response to measuring social value: RSSB project with key stakeholders.

Providing the business with tools and templates to deliver social value:
